

**MAY  
COSMETIC  
SPECIAL**

  
**kybella®**

## Reasons to Consider Kybella

- You're bothered (unhappy, self-conscious, embarrassed) by fat under the chin, also known as submental fullness
- You feel the condition makes you look older or heavier than you actually are
- You don't want to have surgery
- You eat well and exercise, but submental fullness does not go away
